

Table of Contents

Chapter 1 – Introduction

Introduction and Plan Purpose	1-3
County Description	1-3
Previous Planning Efforts	1-4
2006 Land Partnerships Plan Implementation	1-5
Farmland Preservation Program	1-5
Pilot Land Partnerships Grant Program Overview	1-6
Grant Program Outcomes	1-6
Other Staff Initiatives	1-7
2013 Land Partnerships Plan Update	1-7
Plan Organization	1-8

Chapter 2 – Needs Assessment

Introduction	2-3
Population Trends	2-3
Development Trends	2-4
Development Activity	2-5
Status of Land Preservation	2-7
Land Use Planning	2-8
Needs Assessment Findings	2-10
Population Expansion	2-10
Pace of Development	2-10
Status of Land Preservation	2-11
Land Use Planning	2-11
Summary of Findings	2-12

Chapter 3 – Public Participation

Public Participation Program Components	3-3
Land Partnerships Steering Committee	3-3
Project Website	3-3
Public Meetings	3-4
Countywide Public Opinion Surveys	3-4
Combined Public Opinion Survey Results	3-6
Livable Communities Public Participation Results	3-9
Overall Public Participation Findings	3-10

Chapter 4 – Goals and Objectives

Land Partnerships Vision	4-3
Elements of Land Partnerships	4-3
Agriculture Preservation	4-4
Natural Resource Protection	4-4
Parks, Trails & Greenways	4-5
Goals & Objectives	4-6

Chapter 5 – Agricultural Preservation

Introduction	5-3
Benefits of Agricultural Preservation	5-3
Agricultural Resources	5-4
Soils	5-4
Land Use	5-4
Farm Characteristics	5-6
Economic Impact	5-6
Trends in Agriculture	5-7
Local Food Production and Consumption	5-7
Urban Agriculture	5-8
Tools for Agricultural Preservation – Acquisition & Development	5-8
Pennsylvania Agricultural Conservation Easement Program	5-8
ACE/Program – Statewide/Regional Comparison	5-10
ACE Administration	5-11
Clean and Green Program	5-12
Tools for Agricultural Preservation – Planning	5-12
Municipal Planning Code	5-12
Agricultural Security Area Program	5-13
Tools for Agricultural Preservation – Partnerships & Education	5-15
Cumberland County Partners for Excellence in Agriculture	5-15
Stakeholders in Agriculture	5-15

Chapter 6 – Natural Resource Protection

Introduction	6-3
Natural Resources of Cumberland County	6-3
Climate	6-3
Geology	6-5
Mineral Resources	6-9
Soils	6-10
Slopes – Topography	6-12
Woodlands	6-14
Hydrology	6-14
Floodplains	6-18
Wetlands	6-18
Natural Areas Inventory	6-19
Wildlife	6-20
Benefits and Threats to Cumberland County’s Natural Resources	6-20
Tools for Natural Resource Protection – Acquisition & Development	6-22
Priority Conservation Areas	6-22
Riparian Buffers	6-22
Urban Forestry	6-22
Tools for Natural Resource Protection – Planning	6-23
Municipalities Planning Code	6-23
Tools for Natural Resource Protection – Partnerships & Education	6-24

Chapter 7 – Parks, Trails & Greenways

Introduction	7-3
Benefits of Parks, Trails & Greenways	7-3
Parks & Natural Areas of Cumberland County	7-4
Federal Resources	7-5
State Resources	7-5
County Resources	7-7
Municipal Resources	7-7
Non-Profit Resources	7-8
Municipal Park and Recreation Management	7-8
Park Classification	7-8
Need for Municipal Parkland	7-10
Trends in Parks and Recreation	7-12
Aging	7-12
Obesity	7-12
Outdoor Recreation	7-12
Community Gardens	7-12
Reconnecting to Nature	7-13
Cumberland County Trails	7-13
Cumberland County Rail Trails	7-13
Regional Trail Initiatives	7-14
Cumberland County Water Trails	7-15
Cumberland County Greenways	7-16
Tools for Parks, Trail & Greenways – Acquisitions & Development	7-20
Techniques for Acquisition	7-20
Sustainable Community Parks and Landscape Design	7-20
Tools for Parks, Trail & Greenways – Planning	7-21
Municipalities Planning Code	7-21
Tools for Parks, Trail & Greenways – Partnerships & Education	7-22

Chapter 8 – Implementation

Introduction	8-3
Implementation Strategies	8-3
Implementation Plan	8-4
Staff Resources	8-5
County Funding – Land Partnerships Grant Program	8-6
Leveraged Funding	8-6
Program Evaluation	8-6

Endnotes

Appendix

Appendix 3-1	Public Meeting Results
Appendix 3-2	Public Survey Results
Appendix 7-1	Park Classification System
Appendix 7-2	Municipal Park & Recreation Facilities
Appendix 7-3	Trails of Cumberland County
