### **CLAREMONT NURSING & REHABILITATION CENTER EXPANDING REHABILITATION CARE SERVICES**

**Cumberland County, PA** – The Claremont Nursing & Rehabilitation Center (CNRC) celebrated its plan for expansion of rehabilitation care services during a short ceremony on Monday, April 21, 2014 at 10:00 a.m. at Claremont. The County-owned nursing facility is located at 1000 Claremont Road in Middlesex Township.

Once completed the new 39 bed rehabilitation unit will have a separate entrance and accommodations, including a rehab gym. The new rehab unit will allow Claremont to admit short-term rehab residents to one designated area that will more efficiently meet the needs of their conditions. The renovation project is expected to be completed within 8-10 months.

CNRC is a community-based nursing and rehabilitation center with an open admission policy that has received a Five Star Rating from the Centers for Medicare & Medicaid Services (CMS). For more information on CNRC visit <http://www.ccpa.net/index.aspx?nid=109>.
