Cumberland County Holds Open House for Transitions at Claremont

Cumberland County, PA- Cumberland County is pleased to announce that Transitions at Claremont will officially open on March 10, 2015. Transitions at Claremont is a brand new short term rehabilitation center and is part of the Claremont Nursing and Rehabilitation Center (CNRC) campus.

This new 39 bed unit offers living, dining and activity areas separate from CNRC's long term care population. With highly trained staff and 7 day a week therapy, Transitions focuses on quality care that will take its residents from hospital to home as quickly as possible. Prior to the opening on March 10th, a public open house will take place on March 9, 2015 from 11am- 3pm. The public and local medical community are invited to attend.

Construction on the project began in the Spring of 2014. Transitions is anticipated to generate an additional \$480,000 in net revenue annually for CNRC. CNRC is a community-based nursing and short-term rehabilitation facility with an open admissions policy. For more information on this state of the art unit visit www.ccpa.net/cnrc.
