Cumberland County Transportation Services to Transfer to rabbittransit

Cumberland County, Pennsylvania– Cumberland County Officials are reminding residents that effective July 1, 2015 *rabbittransit* will be appointed the Shared Ride Coordinator for Cumberland County. Based in York, PA, *rabbittransit* is a multi-county municipal transportation authority which currently oversees shared ride operations in York, Adams, and Northumberland Counties.

Passengers should notice little to no change in the delivery of shared services. They will gain the addition of Saturday service, which was not previously offered under the County's Transportation Department. This move to *rabbittransit* will also save Cumberland County a significant amount of money relative to its current cost of operations, which can be reinvested in the service to keep consumer fares lower in the future.

To schedule a ride, starting July 1, contact the *rabbittransit* Call Center at 1-800-632-9063. The Call Center is open between 7:00AM and 7:00PM, Monday through Friday, and between 7:45AM and 3:00PM on Saturday. For additional information about shared ride services or other programs please visit www.rabbittransit.org.
