**CLAREMONT NURSING & REHABILITATION CENTER  
PARTNERS WITH SODEXO ON STOP HUNGER INITIATIVE**

**Carlisle, PA** – Cumberland County Nursing & Rehabilitation Center (CNRC) is partnering with Sodexo, CNRC’s food services provider, to hold a community canned food drive June 20-24, 2016 to benefit Project SHARE, a local non-profit food pantry providing assistance to families in the Carlisle area. CNRC has set up collection boxes on-site for donations of non-perishable food items. Monetary contributions are also accepted and checks should be made payable to Project SHARE and mailed in care of Tricia Morrison, Claremont Nursing and Rehabilitation Center, 1000 Claremont Rd., Carlisle, PA 17013-8805.

The Stop Hunger food drive initiative is a unique opportunity to honor Amy Amendola, long-time Sodexo Dietary District Manager, who plans to retire this month, while also benefiting Carlisle area residents in need. Amendola has been instrumental in the innovative management of the Dietary program at CNRC. She values the basic nutritional needs of all people and this event in her honor upholds the fundamental values in the food service industry, as well as Amendola’s many years of service to the residents of CNRC.

CNRC’s leadership along with Sodexo’s on-site management will donate all non-perishable food items along with accumulated monetary donations at the conclusion of the Food Drive on June 24<sup>th</sup> to Project SHARE. CNRC and Sodexo are proud to support this event to provide food to local families who may be facing difficulties in their lives and can’t afford food. CNRC and Sodexo have been working together for 28 years to provide Quality of Life Services to the residents at CNRC.
