Claremont Nursing & Rehabilitation Center Celebrates Nursing Home Week

Cumberland County, Pennsylvania – Claremont Nursing & Rehabilitation Center (CNRC) will host several events this week in observance of National Nursing Home Week May 14-20, 2017. Established by the American Health Care Association (AHCA) in 1967, this national initiative provides an opportunity for residents and their loved ones, staff, volunteers, and the community to recognize the role of skilled nursing care centers in caring for America's seniors and individuals with disabilities.

This year's theme is ***The Spirit of America***. The theme underscores the bond between staff, volunteers and residents that captures the American spirit. Staff and residents view each other in the spirit of family. CNRC has planned a fun-filled week of activities and entertainment with a focus on the theme. Some of the events scheduled this week at CNRC include:
