Friends of Claremont Kick-Off Event

Cumberland County, Pennsylvania - Friends of Claremont Nursing & Rehabilitation Center, a 501©3 non-profit organization, hosted their first community event today in the Evelyn T. Brenneman Memorial Garden of the facility located at 1000 Claremont Road, Carlisle. The foundation is newly established for the purpose of encouraging charitable donations to Claremont Nursing & Rehabilitation Center.

Friends of Claremont welcomes financial support and other gifts to enhance the lives of Claremont residents. Donations will help to expand Claremont's scope of services and amenities to enrich the quality of life for its residents. All levels of donations are welcome and help to support Claremont's longstanding tradition in providing quality skilled nursing services in a caring and dignified environment. The facility has been a staple in the local community for over 100 years.

Today's event culminated Claremont's festivities planned this week in recognition of National Nursing Home Week.
