### ***Commissioners Name Moyle Acting Chief Clerk***

**Cumberland County, PA** – The Cumberland County Board of Commissioners appointed Sandy Moyle as the County’s Acting Chief Clerk today. The appointment comes after Larry Thomas voluntarily resigned from the position last week. In addition to the appointment, the Commissioners also authorized advertisement of the Chief Clerk position.

Moyle has served as the Deputy Chief Clerk for the past three years. Before joining the County, she worked for a District Magistrate in Lewistown for 15 years and then as a Senior Associate for Public Financial Management in Harrisburg.

“My goal is to ensure that County business continues as normal, without interruption,” Moyle said. “We have a lot of talented people working in the County and I’m looking forward to continuing to work with them to meet the needs of the people of Cumberland County.”

“Sandy has demonstrated during her time with the County that she is more than capable of managing County operations,” said Vince DiFilippo, chairman of the Board of Commissioners. “We have complete confidence in her abilities and the abilities of all our staff to continue business as usual during this transition.”

Moyle will serve as the Acting Chief Clerk until a candidate is selected to fill the position. The posting for the Chief Clerk position will be available on the County’s website in the coming days. Candidates interested in apply for the position should submit an application using the County’s online application process, which can be found at [www.ccpa.net/careers](http://www.ccpa.net/careers).
