## *Emergency Drill Planned for Shippensburg School District*

**Cumberland County, Pa.** – The Cumberland County Department of Public Safety, working in partnership with various local emergency responders, will participate in an emergency drill from 7 a.m. – noon on Monday, Oct. 9 at the Shippensburg Area Middle School.

The drill is to assist school staff and first responders in preparing for and responding to an immediate threat in the school setting. Nearly a year of planning was undertaken between the school system and emergency providers to coordinate the drill.

During the drill, many emergency vehicles will be seen in the area of the school. Road closures can be expected on Eberly Drive, between Rowe Road and Baker/Russell Drive.

Questions should be addressed to Joshua Lovejoy, coordinator for Shippensburg Area School District, by calling (717) 530-2700 ext. 1031.
