Cumberland County Conservation District College Scholarships Available

CARLISLE, Pa. --The Cumberland County Conservation District has established an Environmental College Scholarship Program, to support agricultural and environmental education/natural resource students residing in Cumberland County. Profits from the golf tournament and tree seedling sale have enabled the Conservation District to once again offer scholarships for the current school year.

Five hundred dollar scholarships are being offered to **current college students** who meet the requirements listed below and are chosen as recipients by the Conservation District Board of Directors.

STUDENT ELIGIBILITY:

1. Cumberland County High School Graduate
2. Major in:
 - a) Agriculture
 - b) Environmental Resource Management
 - c) Conservation/Natural Resources
 - d) Forestry
 - e) Other Related Fields

The deadline for scholarship applications is January 16, 2018. For an application or more information, please contact the Cumberland County Conservation District at conserve@pa.net or (717) 240-7812.
