Cumberland County Treasurer's Office, Carlisle, Pa. – Year 2018 dog licenses are now available at the Cumberland County Courthouse and on the County website under Treasurer. Licenses will also be available at issuing agents across the County after the first of the year.

County Treasurer, John Gross, announced today his encouragement for dog owners to be good to their canine friends by purchasing a 2018 dog licenses.

Pennsylvania State Law requires all dogs three months and older to be licensed on a calendar year basis. Dog Licenses are \$8.50 for a productive dog and \$6.50 if neutered or spayed. Individuals 65 and older or persons with a disability, pay \$6.50 for a productive dog and \$4.50 if spayed or neutered. Disabled persons must show proof of one of the following to receive the discount: disability insurance income under the Social Security Act, rent or property tax rebates under Public Law 104, or possess a handicapped license plate or placard issued by PennDOT.

A Lifetime Dog License is also an option for a cost of \$51.50 if productive, \$31.50 if spayed or neutered, and \$31.50 and \$21.50 for Senior Citizen and Disability Applicants. Lifetime Licenses are only available at the County Treasurer's Office. To be eligible for a Lifetime License one must either have pet tattooed or micro-chipped.

“In most homes, a dog is more than just a pet; a dog is a member of the family. Dogs bring joy and happiness to their owners. One way to ensure the safety and happiness of the canine member of the household is to provide your pet a 2018 Dog License. The values of a dog license are limitless. The dog licensing program provides valuable benefits to the dog owner. Dog licenses provide safeguards to protect you and your friend. If your friend is lost, a license is an easy way for someone to identify your dog, leading to a happy reunion with its

owner. And funding made available through Dog License sales helps to support animal shelters and outreach grants that promote responsible pet ownership programs provided through the Pennsylvania Department of Agriculture. Compliance with State Law is the personal responsibility of every dog owner, and should not be ignored,” stated Gross.
