### *Cumberland County Commissioners Hire New Chief Clerk*

**Cumberland County, Pa.** – The Cumberland County Board of Commissioners announced today that Stephen Brayman has been hired as the County’s new Chief Clerk. Brayman will begin this role on February 26, 2018.

The Board of Commissioners stated, “There were a number of highly qualified candidates, but Mr. Brayman’s experience, knowledge and track record made him the best candidate for the position. Steve brings an enthusiasm to this role, as well as significant past experience in local government, and we look forward to working with him for many years to come.”

“I am extremely excited to join the Cumberland County team and to work closely with the Board of Commissioners, staff and the community to achieve the goals of County government,” said Brayman. “Cumberland County is a beautiful place and I look forward to spending my free time exploring all that it has to offer. I cannot wait to start my role as Chief Clerk.”

Brayman has more than 30 years of experience in public service. Previously, he served as the Employee and Labor Relations Advisor for Prince George’s County Public Schools; the Director of Human Resources for Charles County Government; the Safety and Risk Management Administrator for the City of Rockville; and as Mayor of the City of College Park. Brayman also serves on the College Park City – University Partnership and the Prince George’s County Spending Affordability Committee. He has a Masters in Industrial Technology and a Bachelors in Economics, both from the University of Maryland.

Born in Pittsburgh, Pennsylvania, Brayman currently hails from College Park, Maryland, but has agreed to relocate and is looking forward to moving to Cumberland County in the near future.

As the Chief Clerk, Brayman will manage the day-to-day operations of Cumberland County, within the guidelines set forth by the County Code and the Board of Commissioners.
