Cumberland County Library System Receives Summer Reading Donation

Carlisle, Pa. – The Cumberland County Library System Foundation recently received a \$5,000 donation from Riverview Bank for its Summer Learning Program. The Summer Learning Program extends the school year by providing fun, free activities to area youth. The activities are designed to foster a love of reading, as well as strengthen reading, writing and learning skills. Nearly 7,000 children attended the Summer Learning Program in 2017. The theme for the 2018 summer program is “Libraries Rock!”

The Cumberland County Library System Foundation is a federally tax-exempt not-for-profit organization, with a mission to support the Cumberland County Library System (CCLS) and its member library collections, program services and innovative initiatives. The CCLS Foundation is also an approved Educational Improvement Organization (EIO) of the Commonwealth’s Educational Improvement Tax Credit (EITC) program.

The Cumberland County Library System consists of seven federated local libraries, one branch facility, a system headquarters office and an associated non-profit Foundation. The Library System provides support to its member libraries through information technology, securing library materials, older adult services, training opportunities, and administrative and financial services. More information on the Cumberland County Library System can be found at www.cumberlandcountylibraries.org.
