

Drug & Alcohol Treatment

As part of your supervision with the Cumberland County Adult Probation and Parole Department, you are required to obtain a Drug & Alcohol Evaluation and successfully comply with the recommendations of that evaluation prior to the expiration of your term of supervision. It is strongly recommended that you obtain the evaluation and begin treatment prior to your sentencing date.

Below is a list of Licensed Drug & Alcohol Treatment Agencies in the Cumberland County area. The evaluation that is required is different than the CRN evaluation that will take place at the Cumberland Perry Drug and Alcohol Commission. Each agency has different rates for their services and accepts different insurances.

The Cumberland County Adult Probation and Parole Department cannot recommend one provider over another.
