One Additional Employee Tests Positive at Claremont Nursing and Rehabilitation Center

Carlisle, PA – Claremont Nursing and Rehabilitation Center (CNRC) today announced that another staff member has tested positive for COVID-19, this brings the total number of staffers to 9 since the pandemic began. The employee who just tested positive today had not been in the facility since June 25. All staffers who have tested positive are in isolation or have recovered.

The facility is working with the Pennsylvania Department of Health's Epidemiologist to conduct universal testing for the virus.

To date, no residents have tested positive for COVID-19.

Claremont continues to follow CDC and the Pennsylvania Department of Health's COVID-19 guidelines for its residents and employees.
